H. Con. Res. 414

Expressing the sense of Congress that, as Congress recognizes the 50th anniversary of the Brown v. Board of Education decision, all Americans are encouraged to observe this anniversary with a commitment to continuing and building on the legacy of Brown

H. Con. Res. 414 would commemorate the 50th anniversary of the United States Supreme Court decision in Brown v. Board of Education. That decision overturned the prior legal precedent for “separate but equal facilities” in the segregation of public schools in the United States. Adopting H. Con. Res. 414 would result in no cost to the federal government.
